Dear Mr Jennings

Re: Rectification Matters and Renewal of Registration: Granted

Thank you for your response regarding the rectification of non-compliance matters identified at the audit held on 9 – 10 December 2019.

The Victorian Registration and Qualifications Authority (VRQA) is satisfied that your organisation Aust-Link Pty Ltd., has taken the appropriate measures to meet the minimum requirements for compliance with the *Australian Quality Training Framework Essential Conditions and Standards for Continuing Registration* and the *VRQA Guidelines for VET Providers*.

Continuous improvement is important to the operations of all RTOs. Regarding the opportunity for improvement noted in Standard 1.5. I also request that you please provide details on how this suggestion was considered by the RTO and whether or not any changes have been implemented. If not, please explain why.

The VRQA is also satisfied that your organisation meets the financial viability and principal purpose requirements in compliance with the *Education and Training Reform Act 2006*. To ensure your organisation remains financially viable, the VRQA requires the below:

- The Director's signed letter of financial support to Aust-Link
- Annual audited financial statements to be provided to the VRQA each October during the new registration period.

A copy of the Financial Viability Report dated 28 November 2019 is attached.

Given your satisfactory outcome, I have renewed the registration of Aust-Link Pty Ltd. for a period of five years to 31 May 2025.

If you have any further questions in relation to this application, please email gar@edumail.vic.gov.au.

Yours sincerely
