

FAST FACTS SHEET

TLI21216 CERTIFICATE II IN DRIVING OPERATIONS

COURSE DESCRIPTOR.

This qualification is designed for driving operation job roles within the Transport & Logistics Industry. Successful completion of the qualification will require competence in units of competency that relate to selected job role requirements. Successful completion of a licencing unit within the qualification must align with licencing and Vic Roads requirements applicable to Heavy Vehicles.

OUTCOMES/ JOB ROLES.

Job roles and titles vary across different Industry sectors. Possible job roles relevant to this qualification include:
Line Haul Driver
Local Heavy General Freight Driver
Civil Construction Operator
General Construction Worker
Rural Industry Worker
Warehousing and Delivery Operator

ELEMENTS OF QUALIFICATION.

Successful completion of 18 Units of Competency. Consisting of:

- Six Core Units
- At least 1 licencing unit relevant to the vehicle type applicable to the selected job role.
- All units within one of the Industry Specific or job roles
- All units (4-6) from the general electives list.

INTEGRATED TRAINING & ASSESSMENT

As a general principle, this course supports the clustering of units of competency for assessment where practical. This integrated approach reflects real work practices and is designed to complete a number of interrelated functions and OH&S tasks at the same time.

LICENCING LEGISLATIVE REQUIREMENTS.

The primary legislative requirements applicable to this qualification in relation to road use and driver licencing are based on the individual State/Territory Legislation.

ENTRY REQUIREMENTS.

An appointment must be made for an interview to establish suitability. Participants must be a minimum of 18 yrs of age and have held a driving licence for a minimum of 2 years.

COURSE DURATION.

Classes are conducted over a one-year period as per approved training plan
Times: as scheduled

CERTIFICATION.

On successful completion of the course participants will be awarded:

TLI21216. CERTIFICATE II IN DRIVING OPERATIONS.
