PROGRAM OUTLINE & OBJECTIVES

The Check Ride is a compulsory component of the VicRoads Motorcycle Graduated Licence System (step 2 of 3).

This accredited VicRoads program is designed for those who have obtained their Motorcycle Learner Permit and are wishing to obtain their Motorcycle Licence.

The Check Ride can be conducted any time after you have gained your Motorcycle Learner Permit however it **MUST** be completed at least **1 Month and 1 Day** prior to a rider completing their Motorcycle Licence Assessment – this is a requirement determined by VicRoads.

Students will be tested as required by VicRoads to receive documentation to certify successful completion.

Students will undergo a riding skill assessment prior to commencement of the On Road Riding Assessment.

If students have their own LAMS Motorcycle, we encourage students to use their own as you will be familiar to how it operates.

Aust-Link can provide a Motorcycle for students to use for Motorcycle Check Ride at no extra charge.

(5 Manual & 1 Automatic available per program)

Aust-Link also has helmets and gloves available for students to use.
